To the Honorable Senate and Honorable House of Representatives of the Commonwealth of Massachusetts:

We have the honor to present herewith a report of the Joint Committee on Education, based upon the results of the investigation made during the session of 1921.

#### WATER SUPPLY

The Joint Committee on Education has been requested by the Legislature to make a survey of the water supply of the State, and to report its findings to the Legislature at its next session.

After careful consideration of the matter, the Joint Committee on Education has decided to limit its report to the following points:
